

Rules and Regulations for Essay Competition for NSD -2023

Last Date for Submission - Jan 31, 2023

The essay competition is being held on the occasion of National Science Day, February 28, 2023.

Topics for essay:

1. Environment and Life
2. Wonders of Science
3. Futuristic Science

Important Points:

1. The competition is open to all schools across India
2. A school can send a maximum of 5 entries for essay competition.
3. The student participating should be from class 8 – class 12 and can choose any one of the topic for essay writing listed above.
4. The student must participate individually as a representative of the school. Students are not allowed to participate in teams.
5. The student should be from a recognized/registered school in India. Registration certificate of the school should be uploaded along with a school image.
6. All the essays should be typed (not handwritten) and then only sent for evaluation purpose. The essay should be limited to 500-750 words and uploaded as a single PDF file with a max size of 10 MB along with the Affidavit by the school principal stating that the participant is a bonafide student of the school.
7. The essay should be effective in communicating the scientific concept being considered.
8. Among the entries received throughout India, a panel of judges will select 10 entries for participation in the final competition at SSSIHL, Puttaparthi to be held on February 28, 2023. The finalists alone will be provided to and fro sleeper train fare and accommodation for the final competition at SSSIHL, Puttaparthi
9. Students selected for finals will be required to write an essay on the spot, on a given topic
10. If any unfair means adopted by the participant at any stage will lead to disqualification of the participant from the competition

The decision of Judges is final and binding on all.

Note:

The essay should be original and duly certified by the school Principal / Headmaster. Please do not copy or download the content. Plagiarism is an offense and is not accepted in the academic world.

Each entry should be accompanied by the following details:

- Name of the student
- Standard/Class
- Email Id of the student
- Mobile Number of the student
- Address for Correspondence of the student (with city, state and PIN code)
- Mobile number and Email of School Principal/Headmaster
- School Address

Rules and Regulations for Quiz Competition for NSD -2023

Last Date for Quiz Registration - Jan 31, 2023

The quiz competition is an attempt to invite schools across India and provide an opportunity to their students to exhibit their scientific knowledge.

Stage1 - Prelims

The preliminary round will be conducted online in the following way.

1. Each Quiz will consist of a maximum of 25 questions.
2. The quiz will be opened for a certain period only.
3. Quiz once started cannot be paused / stopped.
4. The criteria for shortlisting successful winners will be "Maximum Score in the Shortest Time".
5. Teachers / Parents / Guardian and so on should not assist in answering the questions.

Stage2 - Qualifiers

About 400 teams will be shortlisted from the first preliminary round. These teams will participate in the 2nd Online round which will be conducted using Kahoot on a video conferencing tool moderated by a professional quiz master.

20 teams will be shortlisted from the 2nd round for the finals.

Stage3 - Finals

Students selected from 2nd round will be required to travel to SSSIHL, Puttaparthi, to participate in the Finals which will be hosted by a professional quiz master.

Participation Process

Students applying for the Quiz:

1. A team consisting of 2 students can register for the competition from recognized/registered schools in India.
2. The students should be from class 8 – class 12.
3. The team composition should consist of students from the same gender.
4. A maximum representation of 3 teams per school is permitted.
5. The quiz questions for all the rounds will be on the subjects of Science & Technology and General Knowledge.
6. Registration certificate of the school should be uploaded along with a school image.
7. Integrity & Honesty is expected from all participants.
8. SSSIHL reserves the rights to cancel or amend all or any part of the Quiz and/or the Terms and Conditions. However, any changes to the Terms and Conditions or cancellation of the Quiz, will be updated/ posted on the platform.

If any unfair means adopted by the participating team at any stage will lead to disqualification of the team from the competition.

The Quiz Master's decision shall be final and binding for the quiz.
