

Dr. K. V. RAO SCIENTIFIC SOCIETY

Invites Applications for 5th SMART (Science Meets ART) Awards 2024-25 (from school students in all states of India)

On the occasion of National Science Day, February 28, 2025

The main aim of this competition is to visualize Science Concepts. Understanding science concepts is important as it can be easily linked to our daily activities and requirements, thus highlighting the importance of science in daily life.

This year the theme for presenting the artwork is “Microscopic World” 2D Art work

Create an art inspired by the microscopic world, e.g., cellular structures / microorganisms by creating stories around your artwork, turn cells into characters, and their adventures. Also mention any positive/negative effects on humans through conversation. It can be a secret imaginary world.

Eligibility Criteria

- Each school may send a maximum of 5 entries
- The student must participate individually (Team entries will not be considered)
- A student must be:
 - In class 7 to 12 and
 - In the age group of 12 - 18 years

Judging criteria:

Creativity and originality
Scientific Concept used
Artistic Ability
Visual impact
Originality
Overall impression

KVRSS reserves the right to use any of the submitted entries for display/use in its office or any other platform as they see fit. Due credit will be given to the school and student for the work used for any such activity.

The decision of KVRSS Team is final and binding on all.

The top three selected entries will receive a cash prize and a certificate as Winner, Runner-up I and Runner-up II.

Each entry should be accompanied by the following details:

Name of the student
Passport Photo
Email Id
Mobile Number
Standard /Class
Address for Correspondence (with city, state and PIN code)

Name of the School
Name of the Principal
School Email Id
Mobile Number
Complete school address (with city, state and PIN code)
Caption for the Science concept being depicted

Note: A picture of the artwork has to be uploaded.
