

## **Dr. K. V. RAO SCIENTIFIC SOCIETY**

### **Invites Applications for 6<sup>th</sup> SMART (Science Meets ART) Awards 2025-26 (from school students in all states of India)**

**On the occasion of National Science Day, February 28, 2026**

The main aim of this competition is to visualize Science Concepts. Understanding science concepts is important as it can be easily linked to our daily activities and requirements, thus highlighting the importance of science in daily life.

**This year the theme for presenting the artwork is “Board Games” based on Science and Math concept/s.**

**Create a Board game based on any concept/s in Science or Math to make the concept exciting and easy to understand. Board games lead to conceptual clarity, systems thinking, and creativity.**

#### **Eligibility Criteria**

- Each school may send a maximum of 5 teams
- Each team can have a maximum of Two students only.
- The student/s must be in class 7 to 12 and in the age group of 12 - 18 years

#### **Judging criteria:**

Concept Accuracy and Depth  
Creativity and originality  
Game Design (i.e., clarity, time-bound, smooth flow, cost, etc.)  
Visual impact  
Scalability

**The decision of KVRSS Team is final and binding on all.**

**The top three selected entries will receive a cash prize and a certificate.**

**Each entry should be accompanied by the following details:**

- Summary
- Significance and Uniqueness of the Game
- Concept
- Methodology & Game Design
- Results
- Conclusion
- Future Potential of the Game
- Bibliography, References, and Acknowledgements

**Note: A picture of the Board Game should also be uploaded along with a Caption**
